

# Betsy Brown

## Attorney

Betsy was born and raised in the Florida panhandle and has made Tallahassee her home. She attended Auburn University and graduated with a Bachelor of Science in Accountancy. She then attended Florida State University College of Law, where she received her Juris Doctorate in 2005.

Betsy's practice from the start has been 100% litigation. Betsy has tried cases in Federal, State, and Administrative courts, and has significant experience in resolving matters through arbitration. Betsy enjoys the challenge and energy of the courtroom and the chess match of trial preparation and practice. She uses her hard-earned skills to put her clients in the best position possible to recover the full value of their cases.

Betsy is the proud mother of three human children and one French Bulldog. She is a triple-negative breast cancer survivor and advocates for breast cancer awareness, research, and funding to help current breast cancer patients in the community survive and thrive. Betsy is a self-proclaimed "law nerd" and enjoys reading new case law and books about the history and rulings of the Supreme Court.

Betsy is licensed to practice before all Florida State Courts and Federal Courts.
